FORTITUDE GOLD DECLARES MAY 2025 MONTHLY DIVIDEND

Colorado Springs, Colorado – May 6, 2025 – Fortitude Gold Corp. (OTCQB: FTCO) (the “Company”) declares its monthly dividend of \$0.01 per common share payable on May 30, 2025 to shareholders of record as of May 19, 2025. Fortitude Gold is a gold producer, developer, and explorer with operations in Nevada, U.S.A. offering investors exposure to both gold production and dividend yield.

The Company announced on April 15, 2025 a modification to its monthly dividend from \$0.04 per share per month to \$0.01 per share per month beginning in May 2025. Reasons for the dividend modification include cash conservation while the Company waits for permit approval to build and operate its County Line project, and allocation of capital towards mining deeper in the Isabella Pearl pit having recently completed an analysis and modeling of oxide gold mineralization deeper in the pit.

Dividends may vary in amount and consistency or be discontinued at the Board of Directors' discretion depending on variables including but not limited to operational cash flows, Company development requirements and strategies, construction, spot gold and silver prices, taxation, general market conditions and other factors described in the Company's public filings with the U.S. Securities and Exchange Commission.

About Fortitude Gold Corp.:

Fortitude Gold is a U.S. based gold producer targeting projects with low operating costs, high margins, and strong returns on capital. The Company's strategy is to grow organically, remain debt-free, and distribute substantial dividends. The Company's Nevada Mining Unit consists of seven high-grade gold properties located in the Walker Lane Mineral Belt and an eighth high-grade gold property in west central Nevada. The Isabella Pearl gold mine, located on the Isabella Pearl mineralized trend, is currently in production. Nevada, U.S.A. is among the world's premier mining friendly jurisdictions.
